## ViveSport is a vibrant business aiming to make sport and fitness fun for everyone.

We think everyone, no matter age or physical ability, should be able to participate in, and more importantly enjoy sport and fitness. Whether you've never taken part in physical activity, you want to improve in your chosen sport or you just want to have fun and make friends, we deliver sessions specifically for you or your group's needs.

All ViveSport coaches have relevant qualifications, are DBS checked and have expertise in working with differently abled children, young people and adults. At all sessions there will be a first aider on site. If you want to know more about us please ask your ViveSport coach.
